

New platform, greater value

ADP Workforce Now® customers with UnitedHealthcare coverage can now set up automated electronic eligibility feeds via Electronic Data Interchange (EDI), and the setup fee may be waived.* Setting up EDI may significantly reduce the work required to keep enrollments up to date, helping to ensure accurate coverage and payroll deductions.

ADP Workforce Now is designed to help:

- Automate the benefit enrollment process, making it easier to:
 - Enroll new hires, review eligibility for all employees and monitor enrollment status and deadlines
 - Launch paperless preferences from within the platform, allowing for eConsent and eDocuments based on electronic preferences
- Reduce enrollment and billing issues
- Save time with simplified benefits management

Included plans

- Medical
- Dental
- Vision
- Life
- Supplemental Life
- Short-Term Disability
- Long-Term Disability

This strategic alliance spans UnitedHealthcare, Surest, Oxford Health Plans and Level Funded.

Limited-time offer

To support savings and encourage sign up, ADP may waive their EDI setup fees now through Aug. 3, 2025.**

Contact your UnitedHealthcare or ADP representative for more details.
