Call the toll-free phone number on your member ID card to speak with customer service.

Visit the member website listed on your member ID card to look up the price of drugs covered by your plan, find lower-cost options and more.

**United  
Healthcare**

If you are not currently enrolled with UnitedHealthcare pharmacy benefit coverage, you may access your health plan's member website for additional information during your open enrollment period or you may contact your employer or health plan for additional information.

Medications are categorized by common therapeutic conditions in this reference guide for ease of reference only. These categories do not determine coverage for the medication for your condition. Your benefit plan determines how these medications may be covered for you.

Where differences are noted between this reference guide and your benefit plan documents, the benefit plan documents will govern.

This document applies to commercial group members of UnitedHealthcare plans.
